Secretariat:
Rue de Pascale, 36
B -1040 Brussels
BELGIUM

tel: (+32) 2 231 5063
fax: (+32) 2 231 5064
e-mail: info@physio-europe.org

Physiotherapists are involved in both teaching and research but there is no formal recognition of physiotherapy specialists.

The Austrian Physiotherapy Association is both a professional body and educational body. The association has their own education department for continuing studies. Continuing education is obligatory for all physiotherapists.

Number of Universities for Applied Sciences: 8

Number of students per year: 350

Number of years of study: 3

Total number of hours of training: 4.500, 180 ECTS

Status of profession:

Professional Title/Qualification:

Physiotherapeutin

Physiotherapeut

The title and the professional activity is protected by the state. The rules of professional conduct are determined directly by the state through national legislation. The physiotherapist must obtain a licence to practice. Austria has a code of ethics for physiotherapists.

The national authority responsible for legislation concerning the physiotherapy profession in Austria is the "Bundesministerium für Gesundheit".

There is currently few risk of unemployment of physiotherapists.

Practice of physiotherapy:

Secretariat:
Rue de Pascale, 36
B -1040 Brussels
BELGIUM

tel: (+32) 2 231 5063
fax: (+32) 2 231 5064
e-mail: info@physio-europe.org

The physiotherapy treatment /intervention for patients is planned, executed and evaluated by the physiotherapist professionals following a referral by a medical doctor. In prevention and advisory fields physiotherapists work without such a referral.

The costs for physiotherapy are shared between the compulsory health insurance and the patients themselves.

Twinning:

No twinning program is established for the Austrian Physiotherapy Association.
